MEMORANDUM FOR: Director of Central Intelligence

VIA: Deputy Director of Central Intelligence
Deputy Director for OperationsFROM:  Acting Chief, Policy and Coordination Staff

25X1

SUBJECT: Designation of Coordinating Officials with
Respect to FBI Intelligence Activities
Conducted Outside the United States

1. Action Requested: This memorandum recommends that the Director of Central Intelligence sign the attached memorandum of delegation of authority which designates Chief, Counterintelligence Staff as the primary CIA coordinating official for all FBI intelligence activities conducted outside the United States. In addition, this memorandum of delegation of authority designates Chiefs of Stations abroad as other coordinating officials for the FBI intelligence activities abroad with guidance provided by Chief, Counterintelligence Staff.

2. Background: As required by Executive Order 12333 all FBI counterintelligence activities conducted outside the United States will be coordinated with CIA in accordance with procedures agreed upon by the Director of Central Intelligence and the Attorney General. The delegation of authority to Chief, Counterintelligence Staff to coordinate these FBI intelligence activities abroad will ensure that FBI activities which are controlled by FBI Headquarters will be coordinated at a central point within CIA and that the delegation of similar authority to the Chiefs of Stations abroad will enable the CIA to coordinate those FBI intelligence activities which originate or occur abroad. The Chiefs of Stations will receive policy guidance for these FBI activities from Chief, Counterintelligence Staff/DO.
